

GRAND THEATRE

2022

Producteur Récoltant – Mis en bouteille à la propriété

The Grand Théâtre brand was born in 1984, it borrows its name and the visual of its label from the prestigious Grand Théâtre of Bordeaux, one of the most beautiful monuments of the city, inaugurated in 1780.

The Grand Théâtre has become a symbol of the city of Bordeaux, it brilliantly represents the Bordeaux vineyards, but it is also synonymous with art, elegance and conviviality, all values that we strive to bring to our wines.

Grand Théâtre is above all a terroir wine produced by our wine growers, vinified and matured by our oenologists and bottled by us.
